

Access the MimioView window by pushing the View button on your MimioView camera, or by selecting “View” under the Applications button on your MimioStudio Tools Toolbar.

**MimioView Window and MimioStudio Tools:**

- + Mark up the MimioView window using your MimioStudio Tools.
- + Copy to Clipboard and paste the image into your MimioStudio Notebook.
- + Use the Clear All button to remove all markups from the MimioView window.
