

MimioPad wireless pen tablet

Control your MimioStudio™ lesson on the front-of-the-room display—from anywhere in the classroom. What's more, students can collaborate right from their desks.

More collaborative learning, easier classroom management. With the MimioPad™ wireless pen tablet, teachers can move freely around the classroom while controlling their MimioStudio lessons and activities on the interactive whiteboard. Plus, they can share control with students who are using MimioPad tablets or devices with the MimioMobile™ app, enabling collaborative learning.

- Wireless convenience—control MimioStudio interactive activities on any display running MimioStudio software.
- Frees teachers to move about, so they can help individual students and manage the classroom more effectively.
- MimioStudio Collaborate feature allows up to 9 students and 1 teacher, using any mix of MimioPad tablets and devices enabled with the MimioMobile app, to work simultaneously on an activity, with the work shared at the front of the room.
- Plug-and-play simplicity right out of the box.
- 16 shortcut keys to the common functions of MimioStudio classroom software.
- Convenient battery-free stylus.

“The MimioPad allows me the flexibility to move around my classroom. It's so much easier to assist my students and facilitate learning.”

Tricia Fontenot, Third Grade Teacher

MimioStudio software—so easy to use and engaging, your teachers will use it every day.

The MimioPad tablet includes the dynamic MimioStudio classroom software. It connects the Boxlight products, so using other tools—from the document camera to the pen tablet—is quick and easy. MimioStudio software allows educators to create interactive lessons and collaborative activities, and perform real-time formative assessment. **Take learning even further with our MimioMobile app, which brings group learning and collaboration to almost any device.**

Specifications

Software	MimioStudio 11.4 and higher on a Windows, Mac, or Linux OS.
Computer Interface: RF Wireless	RF wireless interface employs a 2.4 GHz bidirectional, point-to-point, wireless interface between the MimioPad and a USB-connected receiver on the computer. Utilizes direct-sequence spread-spectrum transmission protocol. USB Micro-B 5-pin male cable to female receptacle on MimioPad. Standard USB A connection to host PC to recharge battery and use without wireless receiver.
Data Transfer Rate: Wireless	16 Kbps
Tablet Battery	Lithium-ion battery life (fully charged): 50 hours continuous; 5 days in typical use
Tablet Weight	0.65 kg (1.43 lb) with battery
Package Weight	1.15 kg (2.5 lb) with tablet, stylus, cable, and battery
Tablet Dimensions	24.3 cm H x 27.9 cm W x 2.0 cm D (9.5 in. H x 11.0 in. W x 0.8 in. D)
Tablet Active Surface Area	20.3 cm W x 16.2 cm H (8 in. W x 6.4 in. H)
Resolution	2000 lpi
Stylus Pen	Electromagnetic pen (optionally tethered to tablet) has no battery. Move pen over tablet's active surface to hover the cursor over the desktop. Touch pen tip to tablet's active surface to emulate the left-click of a computer mouse. For right-click, press the button on the pen while hovering above the pad surface.
Pen Reading Height	10 mm (0.39 in.)
Pen Report Rate	120 rps
Pen Accuracy	±0.42 mm
Controls & Indicators	On/off button. 16 icon shortcut keys at top edge of tablet's active surface area activate MimioStudio Tools. Two buttons activate Page Up/Page Down functions. LCD panel indicates battery charge status, stylus activity, device ID, and pad number.
Use with Interactive Displays	Can be used as a stand-alone interactive device or in tandem with an interactive whiteboard.
Multiple Devices	Multiple MimioPad tablets can be supported by a single MimioPad wireless receiver. Each device will be assigned a unique device number, displayed in the LCD panel on the tablet. A MimioPad tablet may be removed and connected to a different MimioHub receiver and used independently of the original group.

What's in the Box

Wireless pen tablet, lithium-ion battery, stylus with lanyard, USB cable, replacement pen cap, MimioStudio hardware license, and shortcut reference card. MimioHub™ wireless receiver available separately.
