

# PLATFORM ESSENTIALS COURSES

The Platform Essentials Course is the ideal solution for teachers to get quickly acquainted with all that **Chromebooks and G Suite** OR **Windows 10 and Office 365** have to offer!

At Boxlight-EOS we understand that one of the best ways to learn is to put new skills into action. Therefore, these online courses include resources for teachers to practice new skills with their students authentically. They have been purposefully designed to address the needs of all those involved – not just the facilitator.

## What's Included?

- Bite-sized Modules for *digestible learning*
- Getting Started: navigation and personalization
  - Settings and Features: security and accessibility options
  - Short Skills assessments for *self-checking knowledge*
- Suggested practice opportunities with students for *instant collaboration*
- Customizable teaching materials (lesson plans, videos, visuals, and printable handouts) to use *immediately and differentiated by age groups*
- Access for 6 months to provide busy teachers plenty of time to take the on-demand modules at a pace that suits them
