

Get Appy!

MimioMarket is a dedicated free education App store.

MimioMarket offers over 200 educational Apps that engage and excite children in ways that are so natural to them there is no barrier between the technology and their learning.

Increase Student Engagement

It's easy to hold students' attention when there's something new on the screen. We've hand-picked apps from educational app developers that support Common Core State Standards.

Huge Variety

With apps for all ages and in most subjects, there's loads to choose from to help support your lessons. From Coding to Math, Literacy and Science, as well as games and stories, MimioMarket has everything you could need.

Lots of Languages

Not only are most of our apps available in a variety of languages, some also support dual language, allowing you to teach languages such as French, Spanish, and German as you go along.

Safe for the Classroom

Our App Team checks every app that's submitted to the store. There are three rules: no advertisements, no in-app purchases, and no inappropriate content. We want to enable teachers to download apps as a lesson progresses, so we've designed MimioMarket to ensure the apps are suitable for the classroom.
